Yesterday's Special Events

Yesterday we catered for some special guests. These visitors included Dale Shuttleworth who is Samford Valleys local member (MP), Craig Ray President of Scouts Queensland, Kirsty Brown who is Chief Commissioner of Scouts Queensland and Robyn Gibbs who is the Girl Guides Queensland Training Manager (representing the State Commissioner). They were given an opportunity to see how fantastic Agoonoree 2013 is! After the tour they were shared morning tea which went well until Bob turned up and ate all the scones.

Last night was the disco!

Lots of dancing and singing was heard last night with the disco. With prizes given for the wonderful dancing as well as a onesies competition! Everyone had a great night, we hope you didn't party too hard and got enough sleep for the exciting activities planned for you today!

On this Day...

In Science

Sir Howard Florey was born! He perfected penicillin, which is an antibiotic that you might take when you have an infection. Happy Birthday Howard!

Guests and Patrols of the Day!

Lucy

Lucy is from Purple Bilbies.
We saw her enjoying abseiling with a massive smile on her face!

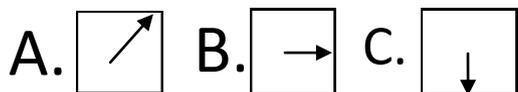

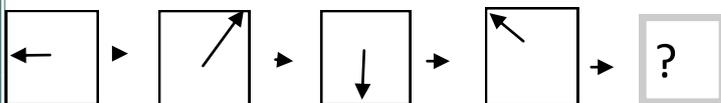

Brittney

Brittney is from Blue Eels
In the morning the Eels did the sight and sound base, Brittney loved the swimming!
They had the Engineering base in the afternoon and so far Brittney has loved abseiling the most.

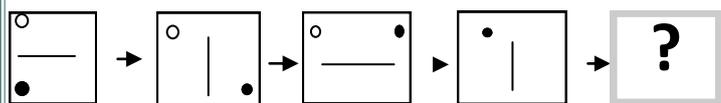

Puzzle Time!

Pick the next in the sequence. The first 4 shapes are given, find the sequence and determine if the next shape is A, B or C

Here is another one: hint, if the black and white are at the same spot, black is shown.

Answers to yesterday's riddles:

- The letter "n", (window becomes widow) (door becomes Donor)
- Back, all other words are other words backwards.

Riddle Magic

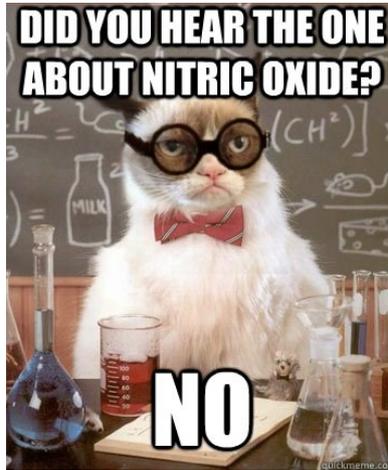

The first patrol to get all riddles wins a reward.
Bring the solutions to the Agoonaram tent!

- The person who makes it has no need for it.
The person who purchases it does not use it.
The person who does use it does not know they are. What is it?
- Lives without a body, hears without ears,
speaks without a mouth, to which the air alone gives birth. What is it?
- I have two arms, but fingers none. I have two feet, but cannot run. I carry well but I have found I carry best with my feet off the ground.
What am I!?

What a Goonie thinks

Today we conducted another survey with Scouts, Guides, Guests, Rovers and Leaders all participating, we set out to discover what an Agoonorian thinks about wearing pyjamas, onesies or 'other' to bed. We interviewed 110 people and here is what we discovered:

Pyjamas: 34 Onesies: 35 'Other': 41

Sorry Onesies and pyjama lovers, for sleeping you only come close to the other alternatives.

Dearest Sam (antha Rigby),

My heart doesn't know where I am.

You're sweeter than a jar of jam!

Whenever I see you I go damn!

I know you love green eggs and ham.

Please will you accept my spam?

As a token of my Love.
