Best Chocolate

The question we asked you yesterday was "What is the best chocolate?" and the votes are in. Come and ask us during the Carnival today for the next question.

RIDDLE

I am alive without breath,
As cold as death,
Eyes open without blinking,
Dressed in mail without clinking.
What am I?

Fun At The Activities

Yesterday we saw our guests and their patrols getting artistic, showing off some of their more spectacular masterpieces. The works included beautiful cookie faces, photo frames and my personal favourite: the patrol dollar note, all of which turned out extremely well. Lucy from VC activities says, "The guests are the most enthusiastic, and they're willing to try anything". Good on all you up-and-coming young artists!

DAILY JOKE

Yesterdays object was an eye!!!

Thanks to a "spot" of long awaited rain, yesterday's morning activities (including, ironically, the water base) were cancelled for a short period of time. Fortunately the rain held off long enough for all campers to enjoy themselves, making the most of their reduced time at the bases.

Tania from Red Bull says "Thank you for letting me have a great time!" Her favourite base was the water base.

Home on the Range: Verse 100—104

Home home on Agoonoree
Where Melita works all day
Where seldom is heard
A discouraging word
And the camp plays hard all day

Home, home on the camp
Where Caitlin rests all day
The only thing heard
Over Caitlin's encouraging word
Was her loud snoring all day

Home, home during the camp
Where Shaun snoozes all day
Often was heard
Shaun, upsetting Bob
And Bob being nice to Shaun all day

Home, home with activities on camp
Young Tim pretends to work all day
Where seldom was heard
Any discouraging words
When Tim misbehaved all day
