

# AGOONORAM

## Welcome Guests

Welcome, all to Agoonoree 2021!!!

We are so excited for all Scouts, Guides, and especially Guests to have lots of fun and make heaps of new friends. This year's theme is THROUGH THE DECADES, as we are celebrating 40 years of Agoonoree, and we can't wait for another 40 in the future.

## Opening Ceremony

What an incredible first night of entertainment for the Night Activities Team. The stars were shining, and the music was pumping. Tonight, saw the camp travel through time and learn of the history over the last 39 years. We were in awe listening to the number of years many of our campers have been involved in the camp.

Did you know that in total we had over 50 years of attendance between the Troop Leaders alone?

We can't wait to see the journey we are about to go on with Janina, Sabella, and Alex over the next few days as we continue to learn the moves to Geronimo.

And some words from the viewers from near and far:  
"Looking forward to returning to Agoonoree tomorrow."  
"Woo Brad!"
