

# AGOONORAM

## Opening Activity

Yesterday we had our first parade.  
We loved seeing you all there and  
participating in the warm ups.

Do you remember what Janina said  
about sun safety?  
Apply sunscreen, cover up and stay  
in the shade when you can.

## Bull's Head Award

Congratulations to BLUE TROOP  
for winning the Bull's Head Award  
yesterday morning.

## JOKES

In Britain, they call it a "lift" but  
Americans call it an "elevator".  
I guess they're just raised  
differently.

## Child Safe

Every camper has a right to be and feel safe. If you  
or your guest are ever in the situation where either  
of you feel unsafe, speak to an adult, PL, APL or the  
Child Safety Officers, Joanne, Anita or Shaun.

# WATER ACTIVITIES

Did you splish and splash at Cruise ship Agoonoree yesterday?

If not, you'll join in the fun soon!

It looks awesome with fun experiences like volleyball, a slip 'n' slide, water relay and time in the pool!

Do you want to cool down during free time?

Check you free time schedule to see when it's open for you!

## SCIENCE

Another great base to look forward to is the super cool science base!

You'll have heaps of fun learning about many different experiences! For example, you can harness your inner archaeologist to find dinosaur fossils, see how far you can propel a balloon with nothing but air; and even make your own sherbet.

# Thank you to...

the volunteering paramedic and nursing students  
that are keeping safe and healthy.  
They're lead by the ever amazing Kevin!

## COVID HYGIENE

To make sure we all stay COVID safe on camp  
this year makes sure you and your patrol:

- Sanitise when you enter campsites and eating
- Wash hands regularly with soap and water
- Physical distancing at 1.5 metres apart
- Wearing a mask when you can't distance, especially in lines like canteen

## 40TH ANNIVERSARY

Yesterday, some VIP's and amazing Sponsors visited the Agoonoree campsite for the 40th anniversary. They were toured by Venturer Scouts around the activities and treated to a delicious afternoon tea afterwards.

The Agoonoram team were able to get an exclusive interview with Peter Blatch OAM.

How many years have you been actively involved with Agoonoree? I have been involved with the camp as Camp Chief for nine years. My heart has always been with the camp since it began in 1980. I'm very fortunate to be still involved with the Agoonoree in my role by knowing several past and current camp chiefs.

How do you think Agoonoree has changed the lives of young people?

The camp has been able to give awareness about people in the community who have disabilities. For guests, it provides them adventurous activities delivered in a different format where they are able to participate to the best of their abilities. The parents of the guests are also given some respite for the week. So it really does have a big effect on lots of people.

## BIRTHDAYS

Happy Birthday to...

Selena from RC  
Amelia from Orange  
Ava from Pink

## A GENTLE REMINDER

A gentle reminder to all campers to please get changed in either your tent or a shower. This is to leave room in the amenities for those who need it.

## MERCHANDISE

Be quick and make your way down to the merchandise tent to buy one of TEN limited edition shower bags. They're only \$10 each!

Agoon FM
