

Setting up

Big thanks to everyone who helped to set Agoonoree up yesterday - it was a monumental task and we couldn't have done it without you.

WEATHER REMINDER

Today will be a top of 25 degrees and will be hot and sunny - make sure that you are wearing your hats and sunscreen and staying hydrated. Visit the Canteen for some cool refreshments!

BIRTHDAYS!

Happy birthday today to Meckensie Van Rompaey, and happy belated birthday to Dominic Kimber!

Welcoming the guests

Yesterday we welcomed our guests into camp, it was great to see so many excited faces - a few returning and plenty of fresh ones. We hope that all guests are settling well to their patrols and are feeling energised for the week ahead of them! Today, we will see more Special Guests as we thank our Sponsors for supporting our camp. Make sure you give them a wave and a hello as they come past!!

Opening ceremony

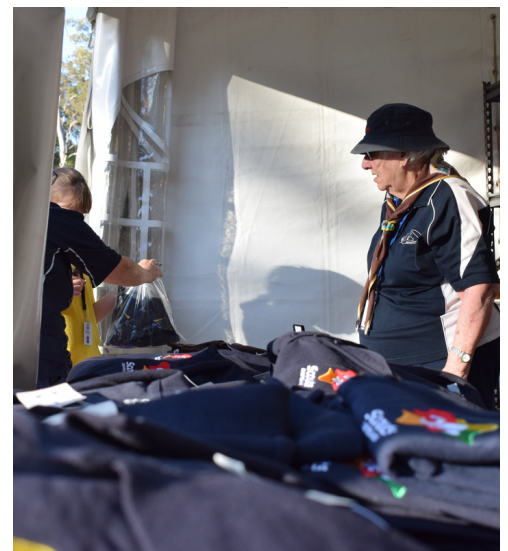

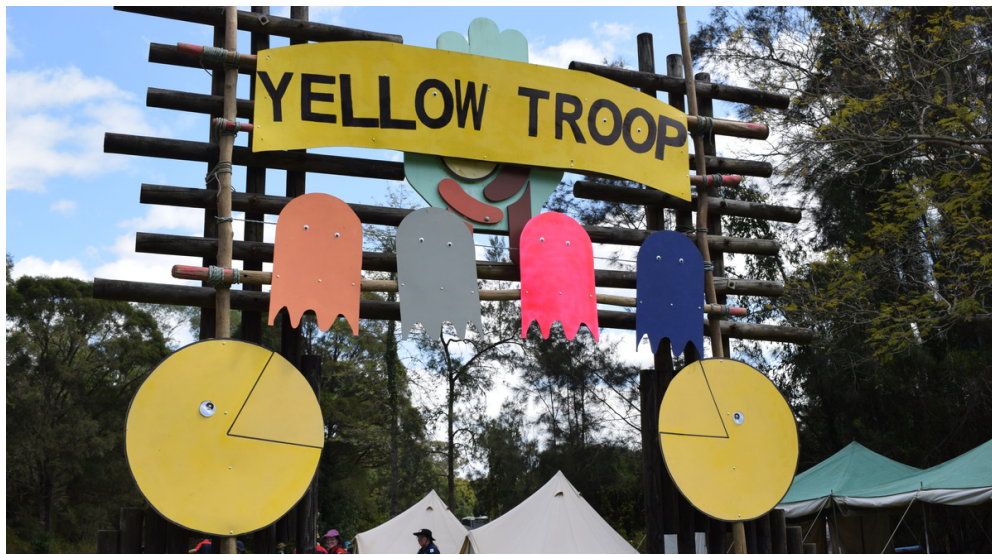

Last night we all had a blast with Sabella, Georgia and Sarah, our very own game show hosts of Goonie Master! We introduced guest speakers, Geoff and Andrew, they shared some Agoonoree history with us and took a walk down memory lane. After this we played a game of scissors, paper, rock between Geoff, Andrew and two other campers. This followed into introducing camp chief Libby, Amanda and Jono. We played two truths and a lie, Jono and Amanda sure had us tricked!

We enjoyed playing wordle, great job on guessing the word 'troop' on the third go! The troop leaders introduced themselves and played a fun game of Troop Feud. Well done Yellow Troop on winning this round, go Emma! This was followed by a game of Heads and Tails before the activities team gathered on stage. It sounds like we are going to be having lots of fun this week. With water games, hiking, smore's and other adventures! The team played Guess Who, thank you to all the Activities Team for playing along and with the help from the campers ... Camp Chief Libby was found!

To end the evening, we enjoyed singing our first song of the week, "There ain't no flies on us"! I think we beat the night activities team with our loud cheer. Go campers!
